Beautiful Balmy Day

Sweet and Peaceful Time

Corn Maze

Host family took us to the farm and we did CORN MAZE, which is the maze made of corn. It took 30min to get to the finish line.

The weather was great and we ate ice cream, saw animals, and made bubbles.

📍 CRESCENT BEACH

We went on a picnic. It was our first time to go to the beach in Canada and everything was perfect.

📍 Chapel

We went to the chapel every Sunday. Our host sister's friend was birthday and she invited us to her BD party.

PICNIC AND PARTY

Our host father made us hotdogs 🌭

The beautiful scenery, delicious food and calm atmosphere made us happy.

Her birthday cakes 🎂

We ate delicious food while enjoying conversations with our chapel mates 🧑🧑
