A photograph of the entrance to a Winter Night Market at dusk. A large, illuminated sign in red and orange neon letters reads "WINTER NIGHT MARKET". The sign is supported by a metal frame with several spotlights. Below the sign, a crowd of people is gathered, and a building with a purple roof is visible in the background. The sky is cloudy and dark, with some light from the setting or rising sun. A purple semi-transparent box with white text is overlaid on the lower part of the image.
